

# Resource Analysis Chart Handout

- Review the data to determine resource strengths and gaps relevant to the focus issue, population(s), and/or geographic area.
- Consider prevention programs, policies and practices that research has shown to be important and indicate these with an asterisk \*\*

Youth Risk/ Need Area	Priority Area 1	Priority Area 2	Priority Area 3	Priority Area 4	Priority Area 5	Other/Notes
Low Risk/Need						
Moderate Risk/Need						
High Risk/Need
